124

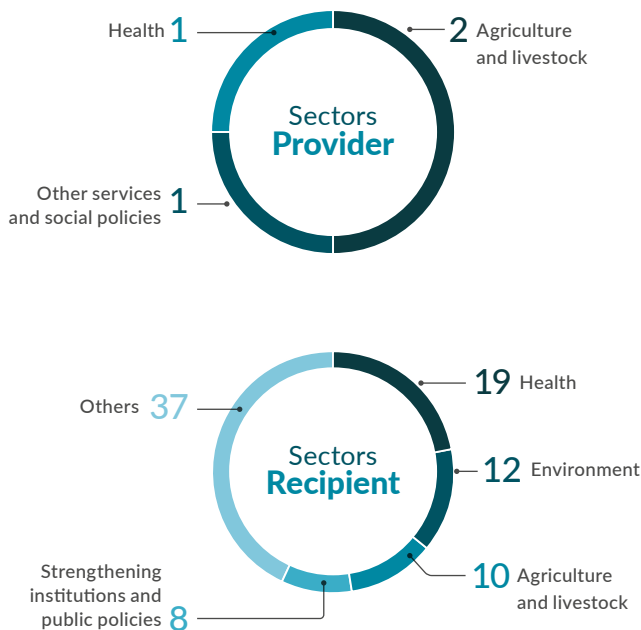

## Participation by modalities and roles

In units

## Strengthened capacities

In units

## Alignment with SDGs

Initiatives are mainly aligned with SDG 3, 8, 2 and 11

## Main partners

Around 61% of the 124 initiatives in which Bolivia participated between 2020 and 2021 were implemented through Bilateral SSC, followed by those carried out through Regional SSC programs (24%) and Triangular Cooperation actions and/or projects (15%). Peru, Chile and Ecuador were Bolivia's main Ibero-American partners.

Bolivia acted as recipient in the framework of the 3 modalities recognized in the Ibero-American space, especially in Bilateral SSC and in Triangular Cooperation actions and projects. This mainly strengthen its capacities and knowledge in the following sectors: *Health, Environment, Agriculture and livestock and Strengthening institutions and*

*public policies*, among others. In turn, Bolivia supported other partners' experience in areas related to *Agriculture and livestock, Other services and social policies and Health*.

This Andean country's Bilateral, Triangular and Regional SSC predominantly supported the achievement of SDG 3 (Good health and well-being), SDG 8 (Decent work and economic growth), SDG 2 (Zero hunger) and SDG 11 (Sustainable cities and communities), thus contributing to the alignment of Ibero-American cooperation with the 2030 Agenda.
