Main partners

Between 2020 and 2021, the Dominican Republic participated in 136 cooperation initiatives. Of these, 52% were implemented through Bilateral SSC, while the remaining 48% were distributed in Regional SSC programs (31%) and Triangular Cooperation actions and/or projects (17%).

The Dominican Republic mainly acted as recipient in both Bilateral SSC and Triangular Cooperation, strengthening its capacities in the following sectors: *Health, Strengthening institutions and public policies and Disaster management*, among others. In turn, it was able to share its knowledge and experience as provider in *Agriculture and livestock, Employment, Strengthening institutions and public policies, Management of public finances, Environment and Peace, public and national security and defense*.

In order to implement these 136 initiatives, the Dominican Republic associated with several countries, among which Costa Rica, El Salvador and Guatemala stand out. Through these exchanges, this Ibero-American Caribbean country contributed to the achievement of the 2030 Agenda through SDG 16 (Peace, justice and strong institutions), SDG 3 (Good health and well-being), SDG 8 (Decent work and economic growth) and SDG 11 (Sustainable cities and communities).
