Between 2020 and 2021, Paraguay participated in 138 cooperation initiatives. Most of them were developed through Bilateral SSC (43%), followed by Regional SSC programs (35%) and Triangular Cooperation actions and/or projects (22%). Uruguay, Argentina and Brazil stand out among main partners.

Paraguay mainly acted as recipient in all these exchanges, especially in Triangular Cooperation with other partners and stakeholders (29 out of 30 initiatives) and in Bilateral SSC initiatives (50 out of 60). Other countries have strengthened Paraguay’s capacities and knowledge in diverse topics such as Health, Strengthening institutions and public policies, Other services and social policies and Agriculture and livestock, among others. In turn, as provider, this country could share its experience with Ibero-American partners in sectors such as Transportation and storage and Agriculture and livestock, through 14 actions, projects and programs.

Initiatives in which Paraguay participated between 2020 and 2021 contributed to the region’s achievement of the 2030 Agenda, through its alignment with SDG 3 (Good health and well-being), SDG 8 (Decent work and economic growth) and SDG 11 (Sustainable cities and communities).
